FEED GREATNESS®

Goat

Commercial Goat Nutrition Program

Purina® offers you a complete nutrition program with practical feeding rations for increased efficiencies in your commercial goat operation. From nourishing and getting your kids off to a healthy start to helping along the way. We have the specific nutritional solutions for the needs of kids, adults and nursing does with balanced feeds and supplements for healthy goats at each life stage.

Milk Replacer
Day 1-60

1494575-106 | Land O Lakes® Commercial Lamb and Kid Milk Replacer
Formulated with high protein and fat levels with a unique fat blend for both lambs and goat kids that contain a preservation system for free choice feeding and a special blend of essential oils. Available with Deccox® for coccidiosis control and MOS to help maintain a healthy gut.

Also Available:
1494576-106 I DC
1494577-106 I DC MOS

Starters
Day 14-90

3004990-206 | Purina® Sheep & Goat Receiving Ration .0033 DX 50lb*
Designed as a feed for a quick transition after weaning that is highly palatable. Medicated with Deccox® to help reduce stress in young lambs.

3004604-906 | Purina® Kid Goat Starter/Grower 18 R20
Our Kid Starter is formulated with a 3/32" micro pellet that helps to provide optimal intakes. Medicated with Rumensin® to help with the prevention of coccidiosis to help ensure a proper start for your kids.

Growers
Day 60-All Life Stages

3004992-206 | Purina® Goat Grower/Finisher .0033 DX 50 lb*
Complete feed for goats post weaning through the growing stage and maturity in breeding herd. Medicated with Deccox®.

Mineral/Supplement
Day 60–Maturity

3004804-634 | Purina® Accuration® Sheep & Goat Hi-Fat 200 lb Block
Designed specifically for Sheep & Goats on pasture, a premium, weather-resistant, protein block with fat, vitamins and minerals added that is designed to balance nutrient deficiencies in fair quality forages.

3004692-106 | Purina® Accuration® Sheep/Goat 2HL
Designed specifically for Sheep & Goats on low quality forage with a high protein, high energy meal including fat, vitamins and minerals added to limit intake and increase body condition.
