FEED GREATNESS®

Sheep

Commercial Sheep Nutrition Program

Purina® offers you a complete nutrition program with practical feeding rations for increased efficiencies in your commercial sheep operation. From nourishing and getting your lambs off to a healthy start to helping along the way. We have the specific nutritional solutions for the needs of lambs, adults and nursing ewes with balanced feeds and supplements for healthy sheep at each life stage.

Milk Replacer | Day 1-60

1494575-106
Land O Lakes® Commercial Lamb and Kid Milk Replacer
Formulated with high protein and fat levels with a unique fat blend for both lambs and goat kids that contain a preservation system for free choice feeding and a special blend of essential oils. Available with Deccox® for coccidiosis control and MOS to help maintain a healthy gut.

Also Available:
1494576-106 I DC
1494577-106 I DC MOS

Creep/Starters | Day 14-90

1852700-206
Purina® Special Lamb Creep B90 BG
Our popular commercial creep is a proven, pelleted ration that features a 20% protein and 2% fat guarantee. Medicated with Bovatec® to help prevent Coccidiosis.

1850100-506
Purina® Lamb Creep Texturized B90 BG
Our texturized creep feed ration that is highly palatable for lambs. Medicated with Bovatec® to help prevent Coccidiosis.

3004551-206
Purina® Honor® Show Chow® EXP 15 Pellet DX
Designed as a top shelf show feed and a great creep for wether-type lambs. This is a popular creep that can be used as a grower/finisher and helps promote early intake and helps make lambs bloom and shine quickly. A mini pellet that is a high-energy formula with 15% protein and 5.5% fat and medicated with Deccox®, it also features all you would expect from a Show feed including Lambitine™, Puriferm™, Tasco®, Zinpro® and FulFill®.

Starter/All Life | Day 21-Maturity

3004990-206 I Purina® Sheep & Goat Receiving Ration DX .0033 50 lb
Designed as a feed for a quick transition after weaning that is highly palatable. Medicated with Deccox® to help reduce stress in young lambs.

3003809-206
Purina® Delta Lamb & Ewe DX30
Feed that helps aid early feed adoption in lambs and helps ewes optimize milk production and maintain body condition. The small pellet size and high fat content provides for a highly palatable ration that helps get those lambs off to a great start. Deccox® to help control Coccidiosis, Ammonium Chloride to help prevent urinary calculi and added Vitamin E and Selenium.

Minerals | Day 60-Maturity

3003807-106
Purina® Wind & Rain® Sheep Mineral
A new product designed for Sheep with our patented and proven Wind & Rain® technology that helps reduce clumping and therefore reduces waste in your operation saving you time and money. Also contains added Vitamin E, Selenium, Zinc and Iodine.

3002411-106
Purina® Sheep Mineral
The Purina® sheep mineral with proper 2:1 Calcium to Phosphorus ratio to help prevent urinary calculi. Contains added Selenium. Suitable for the breeding herd and growing lambs.

3004804-634 I Purina® Accuration® Sheep & Goat 200 lb Block
Designed specifically for Sheep & Goats on pasture, a premium, weather-resistant, protein block with fat, vitamins and minerals added that is designed to balance nutrient deficiencies in fair quality forages.

3004692-106
Purina® Accuration® 2HL Sheep/Goat
Designed specifically for Sheep & Goats on low quality forage with a high protein, high energy meal including fat, vitamins and minerals added to limit intake and increase body condition.

Grind & Mix | Day 60-Maturity

1860220-206
Purina® Sheep Balancer B136 BG
The medicated version of our most widely used ration balancer with Bovatec® to help prevent coccidiosis.
